Heavy Industry was to move to Berlin-Karlshorst in January 1955. Orders were given that those sections of the Department for Power Industry and the Main Department for Research and Technology, which were located on Mohren-Strasse, moved to Karlshorst on 3 January 1955. It was officially stated that no staff member of the Ministry was expected to quit his job because of this move to Karlshorst which might involve long train journeys for employees.

25X1

In early December 1954, it was learned that the GDR Ministry for Heavy Industry was to move to Berlin-Karlshorst in January 1955. Orders were given that those sections of the Department for Power Industry and the Main Department for Research and Technology, which were located on Mohren-Strasse, move to Karlshorst on 3 January 1955. It was officially stated that no staff member of the Ministry was expected to quit his job because the move to Karlshorst might involve long train journeys for employees.
